TELENET BOOKING POLICY

Amount of advance is 60% of the calculation for all the services we provide to our clients. In some cases, it is possible for this amount to change depending on the type and character of the service, but if this happens, our reservation agent or manager will inform you in due time. When there is no possibility to reserve the service you have pointed out, judging from your inquiry, we will suggest you a solution that can meet all your requirements.

To make possible the reservation, you have to follow these advance payment deadlines:
- 72 hours, 25 to 60 days before the start (arrival) date of your reservation.
- 48 hours, 15 to 25 days before the start (arrival) date of your reservation.
- 24 hours, less than 15 days before the start (arrival) date of your reservation.

Deadline for paying the rest (40%) of the calculation is TEN DAYS before the start-arrival date of your reservation.

For the period less than 10 days before the start (arrival) date of your reservation, you must pay in advance the full amount of the calculation (100%) within the period of 24 hours.

After you have chosen the method and made the payment, you must inform us by fax or e-mail. After we receive confirmation of your payment, we send you a Voucher consisting of accommodation data (description of the accommodation unit or service, client information, period of your staying).

You may cancel your reservation up to 24 hours before the start (arrival) date of your reservation. Please look at payment policy for cancellation of your reservation:
- 5% - if you cancel your reservation 30 days before the arrival date.
- 15% - if you cancel your reservation 29 to 15 days before the arrival date.
- 30% - if you cancel your reservation 14 to 10 days before the arrival date.
